Speaker

Speakers -

Paul Lewis is a partner at national firm David Phillips and partners. He is a higher rights advocate practicing nationally and a good friend to CrimeLine having lectured for us for a number of years. His book on the Sexual Offences Act was published by the Law Society Press in 2003 and he has recently spoken on several radio and television shows on legal issues. He is a well known and widely respected lecturer.

Emma Watson is a Forensic Science Consultant and has been working with Hayward Associates LLP for over five years. She holds a Bachelor of Science degree in Human Biology, a Master of Science degree in Forensic Science and also a Doctorate Degree in Forensic and Population Genetics.

Emma is experienced in a number of areas of forensic science including the interpretation of DNA profiling results. This includes Low Copy Number DNA profiling, Y-STR DNA profiling and the examination of items for the presence of biological evidence such as blood, semen and saliva. Also the interpretation of blood stain pattern distributions.

Barrister to be confirmed.
